Experience

DCNine Web Solutions/ CEO and Co-Founder
March 2019 - PRESENT

DCNine Web Solution is an independent web development agency that I helped establish. It is an agency that believes great work comes from a clear understanding of the needs and goals of the client. That is our mantra and the cornerstone of who we are collectively.

Evangadi Tech/ Boot camp Instructor - Evangadi
Mar 2020 - Present

Teaching and preparing online courses in Full-Stack Web Development.

Full-Stack Web Development / Immersive Student
Nov 2019 - Mar 2020, Silver Spring, MD

Built multiple enterprise level projects. Recreated a live website of apple.com starting from the design, all the way to creating React components and deploying the project. Please refer to my github:
